Proposed Date	5 - 11 - 2025
Name of Activity	Visit to Nam Cheong Park
Mode of Delivery (Please put a ✓ in the appropriate box(es); more than one option can be selected)	☒ Visit ☐ Workshop ☐ Others (Please specify) : _____
Brief Description	The visit was arranged to support the children's multisensory exploration of nature and the community right outside the classroom. The children observed various colours, shapes, and textures of leaves/barks/grass. They also actively listened to birdsong and explored small insects. The trip taught vital life skills, such as following group instructions, sharing outdoor spaces with others, and practicing basic environmental care by keeping the park clean. Ultimately, this early exposure to nature builds a foundational love for the environment and nurtures confident, curious young learners.
